I understand that this registration is pending end of course grades and pre-requisite requirements. I also understand that this data will be used to form classes, plan the 2025-2026 Master Schedule, and hire and assign teaching staff for the upcoming school year. If applicable, I have indicated any changes below by writing the class I would like to change from and the class I wish to change to. I understand that there will be no schedule changes after May 2, 2025, and alternate courses will be substituted for any full or canceled course. Level changes (for example Adv MYP Eng. 9 to Eng. 9) will be honored only if classroom space is available. Please have your parent/guardian sign below and return it to your school counselor.

Entiendo que esta matricula está pendiente a las calificaciones del final de año y a los prerrequisitos. También entiendo que estos datos se utilizarán para crear clases, planificar el horario escolar del año académico 2025-2026 y contratar y asignar personal docente para el próximo año escolar. Si aplicable, he indicado cualquier cambio a continuación escribiendo la clase que me gustaría cambiar y la clase que deseo tomar. Entiendo que no habrá cambios de horario después del 2 de mayo del 2025 y los cursos alternativos se sustituirán por cualquier curso que está lleno o cancelado. Los cambios de nivel (por ejemplo, Inglés 9 Avanzado MYP a Inglés 9) se aceptarán solo si hay espacio disponible en el aula. Favor de pedirle a sus padres que firmen a continuación y devuelva esto a su consejero escolar.
