

August 18, 2024

Message from Ms. Polanco:

It was great meeting so many new Lions at our New Student Orientation and Open House last Thursday and Friday. Our Unity Reed HS family is excited that you are “One of Us” and have been working hard this past week to ensure we have a great start to the 2024-25 school year. Monday, August 19th will be a **Maroon Day** and students will attend **Periods 1, 2, 4 and 6**.

Through the listening sessions and feedback provided by many staff, students, families and community members over the last seven weeks, I’m excited to embark on this journey together and announce our shared vision: **“Every LION in our PRIDE will graduate on time through STRENGTH in UNITY and a commitment to developing ALL students as IB Learners.”**

“Strength in Unity” reflects the values of team, family spirit and community partnership. **“Graduating on time”** reflects our goals of high expectations, perseverance and striving for excellence. A **“commitment to developing all students”** emphasizes inclusivity, diversity, access and success for all. As Unity Reed is an International Baccalaureate World School, the phrase **“IB Learners”** highlights our learner profile attributes which foster skills in each of our classes for success beyond graduation to include being critical thinkers, communicators, caring, inquirers, open-minded, reflective, principled, balanced, and more.

To embody **LIONS PRIDE** at Unity Reed High School reflects the core values that guide us. Together, we:

- Lead with courage and integrity.
 - Inspire others with our actions.
 - Optimize opportunities that come our way.
 - Navigate through challenges with wisdom.
 - Strive for excellence in all we do.
-
- Persevere in the face of adversity.
 - Respect all beings and their perspectives.
 - Innovate to create a better future.
 - Dedicate ourselves to our passions.
 - Empower others to reach their potential.

Immunization Information

Immunization information is available in ParentVUE. Students must have required immunizations to attend school in PWCS. Check with your school or in [ParentVUE](#) to make sure your students are not missing any required [immunizations](#). If required immunization documentation is not provided, the student will NOT be permitted to start school on Monday, August 19, 2024.

Student Schedules

Student schedules are live via [ParentVUE](#) or [StudentVUE](#). Schedule changes will be extremely limited. Schedules were based on requests made by student last Spring. Students and families verified the course requests with an opportunity to make changes in June. Requests to change due to a change of mind will not be honored. If you believe there is an error in your student's schedule, please contact your child's school counselor ([counselor assignments and contact information can be found here](#)). Counselors will be working to fix any errors or issues as quickly as possible. Your patience and understanding are greatly appreciated!

Bus Assignments

Bus schedules are available in [ParentVUE](#) or [StudentVUE](#). Reminder: Make sure to check your child's bus stop as it may be different than last year. PWCS is consolidating bus stops to help ensure students arrive to school on time. [Read more about transportation improvements in PWCS](#). We encourage you to download the [Here Comes The Bus mobile app](#) that allows you to track your student's bus in real-time. If you have any questions about your child's transportation you may submit a request directly on our Transportation website: [Submit a request – PWCS Transportation](#) or by contacting the Transportation office at 571-402-3940. As routes are still changing due to new student information received, please check your bus schedule again just prior to the start of school.

Student Devices

Unity Reed High School will be distributing laptops during Period 1 on the first day of school. Students need to bring their PWCS device to school every day. Please make sure it is fully charged each day before coming to school. Families are encouraged by the county to purchase insurance on their school issued device. The insurance policies are purchased through a third-party vendor. Students who did not return their laptops must return their previous device to their first period teacher. Seniors without a first period class will report to the library during period 1 to pick up their devices. Click here for more information on [student device insurance](#).

Cell Phones and Personal Devices

Governor Youngkin recently issued a ban on cell phone use during the instructional day. All PWCS schools will have restrictions on cell phones beginning on the first day of school. During class, cell phones and smart devices must be out of sight (in backpack or designated classroom cell phone area). Cell phones will not be permitted in school bathrooms. Students are permitted to use cell phones during their lunch. If you need to

reach your child for an emergency during the school day, please call the school at 703-365-2900 and we will get the message to your student. We appreciate your support in creating a focused, engaging, and safe learning environment for all students.

Violations for cell phone use across all PWCS High Schools are as follows:

- **1st offense:** Device is surrendered and returned at the end of the class period; student signs acknowledgement form.
- **2nd offense:** Device is surrendered, locked in the administrator's office, and returned at the end of the school day. Teacher/staff member notifies the parent/guardian.
- **3rd offense:** Device is surrendered and locked in the administrator's office. Student receives a referral and must complete an online module on healthy cell-phone use. Parent/guardian must retrieve the device from the school and sign an acknowledgement of further consequences form.

In alignment with Governor Glenn Youngkin's Executive Order 33, which aims to establish cell phone-free education in Virginia, PWCS will be gathering feedback from this pilot program before finalizing the wireless device guidelines and policy by January 1. [Visit the PWCS Cell Phone and Electronic Device Guidelines webpage for more information.](#)

Student Drop Off & Parking lot Changes:

To improve traffic flow and enhance safety during arrival and dismissal times, we have made slight adjustments to bus locations, student pick-up and drop-off, and student and staff parking. Students may be dropped off at school starting at 7:00am. The new drop off area ("Kiss and Ride") is now behind the school by way of entering Kim Graham La. Those dropping students off will enter on Kim Graham Ln and drive behind the school to the designated drop-off zone. Please follow the map for exiting on Kim Graham Ln and do not cut through the student parking lot. Please do not drop off in front of the school or near the stadium side. The lanes directly in front of the school are bus lanes. No drivers are allowed in the bus lanes during arrival or dismissal. These areas must remain clear to allow for buses to safely enter and exit.

Underclassmen will enter on Kim Graham Ln and park in their assigned spot in the rear parking lot. Seniors will enter the parking lot in front of the gym from Rixlew lane and park in their designated spot. ALL students must purchase a parking pass from security in order to park on school grounds. Parking pass information is listed in a separate section below.

Please see the new arrival and dismissal map below.

URHS ARRIVAL & DISMISSAL MAP

Student Entry

Students may enter the building starting at 7:00am through 2 approved entrance doors only. Approved Entry Doors are:

- **Door 1 (Main Entrance)** for Buses and Senior Parking
- **Door 12 (Near Trailers)** for Student Drop Off and Underclass Parking

As safety and security are our top priority, ALL exterior doors are to remain closed and locked at all times. Students are NOT permitted to open doors for anyone regardless of whether they know them or not. Students caught opening exterior doors may face consequences in accordance with PWCS Code of Behavior to include exclusionary discipline.

Late to School?

After 7:30am, all late students must enter through Door 1 (main entrance) and check in at the main office.

Parking

Students who plan on driving to school must purchase a parking pass. Parking passes cost \$100. Passes will be sold during the first two weeks of school (August 19 – 30, 2024). Parking enforcement will begin on **Tuesday, September 3, 2024**. All vehicles, except visitors, parked at school must have a pass displayed at that time.

Seniors now have the exciting opportunity to paint their parking spots in the new senior parking lot area in front of the school by the stadium side. This initiative, inspired by student voice and feedback, aims to foster school pride while simultaneously supporting the beautification of our school campus.

Attendance Matters!

Attendance is the number one predictor of dropout and on-time graduation rates! Students who need to miss school due to illness or doctor's appointments must provide a note from a parent/guardian for the absence to be excused. Chronic absenteeism significantly impacts a student's GPA and overall school performance. Both excused and unexcused absences contribute to chronic absenteeism. When students are chronically absent, they miss critical instruction time, leading to falling behind academically. Here are some key points:

- Lower GPA: Research shows that chronic absenteeism is associated with lower grade-point averages (GPAs). Students who miss more school days tend to experience a gradual decline in their GPA.
- Early Warning Sign: High numbers of absences, especially in middle school, can serve as an early warning risk indicator for potential dropout. Addressing absenteeism early is crucial to prevent long-term academic consequences.
- Long-Term Effects: Chronic absenteeism correlates with increased rates of high school dropout, adverse health outcomes, and poverty in adulthood.

PWCS utilizes the "[Attention2Attendance](#)" program to alert parents and guardians when absences, both excused and unexcused, become excessive. Students who become chronically absent will be at risk of losing sports and activities participation. As we strive to empower all students, let's prioritize attendance and create a supportive environment for academic success!

You may receive a letter regarding your students' attendance in the mail. Please understand that these notifications are to bring awareness on how much school has been missed this school year. We want to work with you to support your students' consistent daily attendance to drive academic success. If you have questions or feel you may have received a notification in error, please reach out to your student's administrator.

We understand there are unavoidable illnesses or other times when your child should remain at home. We also know that absences add up quickly, and that "showing up" is critical to your child's success in school and in life.

Parents are encouraged to minimize absences during school hours, and to plan family trips and vacations during school holidays. Requests for prearranged absences for longer than one school day, should be for extenuating circumstances and must be submitted in writing your student's administrator within a reasonable time for the school to review, approve, and assign the absence type of excused or unexcused. Free Breakfast and Lunch for Students

Free meals to all students: Breakfast and lunch will continue to be provided at no cost to students this year due to URHS receiving Title I resources for the 24-25 school year.

Outside Food/drinks

Students are not permitted to leave campus during the school day, nor use mobile ordering to have food delivered. All orders delivered to school may be discarded with no reimbursement to the student.

School Counselor & Administrator Assignments: All students are assigned a school counselor, and an administrator based on their grade-level and last name.
